Baad-Hansen T *et al.* Lack of consensus in treatment of bone sarcomas

Thomas Baad-Hansen, Sarah Stammose Freund, Bodil Hammer Bech, Johnny Keller

### Abstract

#### AIM

To perform an Internet based survey on the surgical management of bone sarcomas in the lower extremity amongst sarcoma surgeons.

#### METHODS

All orthopedic surgical members of the Scandinavian Sarcoma Group were invited to participate in an online questionnaire. The questionnaire consisted of a clinical case involving resection of a malignant bone tumor. Several questions were asked, subdivided into
