To Whom it May Concern,

I, Justin Hugo Axel-Berg, British citizen and native speaker (passport number 513315448, NI: 1848-73B, DOB: 26/01/1988), translated the manuscript number 39019, entitled "**Large primary hepatic gastrinoma in young patient treated with trisegmentectomy**" by Leonardo Pipek et al. on 15th of February 2018, and subsequently revised it on 22nd of February 2018. I can confirm that it contains no errors in English, and is ready for publication.

I would be happy to answer any doubts you may have at the address or telephone number provided below.

Best wishes.
