**Name of Journal:** *World Journal of Gastrointestinal Oncology*

**Manuscript NO:** 39281

**Manuscript Type:** REVIEW

**Colorectal carcinogenesis: Insights into the cell death and signal transduction pathways - A review**

Ashok Kumar Pandurangan, Divya Thomas, Kalaivani Kumar, Dineshbabu Vadivel, Velavan Bakthavatchalam, Sudhandiran Ganapasam

**Abstract**

Colorectal carcinogenesis (CRC) imposes a major health burden in developing countries. It is the third major cause of cancer death. Despite several treatment strategies, novel drugs are warranted to reduce the severity of this disease.
