

Certificate of Biostatistics

Title: Long-term outcomes of endoscopic resection for small (≤ 4.0 cm) gastric gastrointestinal stromal tumors originating from the muscularis propria layer

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for this study.

If you have any questions about the Biostatistics of this study, feel free to contact me.

Kind regards,

Yu Zhang
