Language Editing

To whom it may concern:

The manuscript entitled "***Long-term outcomes of endoscopic resection for small (≤ 4.0 cm) gastric gastrointestinal stromal tumors originating from the muscularis propria layer***" has been edited by a PhD-level scientist with a native English speaking background provided by DuoEase scientific writing services. All the information in the edited manuscript remains true to the authors' original work.

Sincerely yours

Signed: *Allen Cusack* Dated: 24th March 2018
