Regulating migration of esophageal stents: Management using a
Sengstaken-Blakemore tube

Sato H *et al.* Regulating esophageal stents migration

Hisaho Sato, Kaoru Ishida, Shusaku Sasaki, Masahiro Kojika, Shigeatsu Endo,
Yoshihiro Inoue, Akira Sasaki

Abstract

Stent migration, which causes issues in stent therapy for esophageal perforations, can counteract the therapeutic effects and lead to complications. Therefore, techniques to regulate stent migration are important and lead to
