Language Editing Certification

To Whom It May Concern

This is to certify that the **Manuscript No. 39627** entitled **"Thrombosis prophylaxis in pediatric liver transplantation: a systematic review"** by **NACOTI M**, which is under consideration for publication in your journal, was edited for English language usage, grammar, spelling and punctuation by Ms Anne Brown, a native English-speaking collaborator of Dott. Lussana (one of the co-authors). No language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.
