

**Name of journal:** World Journal of Gastrointestinal Endoscopy

**Manuscript NO.:** 40070

**Column:** Minireviews

**Title:** Screening and surveillance methods for dysplasia in IBD patients. Where do we stand?

**Authors:** Michail Galanopoulos, Emmanouela Tsoukali, Filippos Gkeros, Marina Vraka, Georgios Karampekos and Gerassimos J Mantzaris

**Correspondence to:** Michail Galanopoulos, MD, Doctor, Gastroenterology, Evangelismos, Ophthalmiatreion Athinon and Polyclinic Hospitals, 45-47 Ypsilantou Street, Athens GR 10676, Attiki, Greece. galanopoulosdr@gmail.com

**Dear Editor-in-Chief,**

Once more I would like to thank you for considering our manuscript for publication in your prestigious journal. According to reviewers' and editor's comments the below changes were made appropriately:

**Reviewer's code:** 00038617

The figure legends were added. Furthermore, the comment for endoscopic resection method for visible lesion was added in Figure 2 ppt.

As far as Editor's comments concerns, the audio core was made, as well as the changes regarding the similar sentences were applied; therefore, a clean revised manuscript (uploaded as a revised manuscript) and a highlighted one (was uploaded as a supplementary file) will be sent to you. Finally, you can find attached amongst the other submitted files, the decomposable figures whose parts are movable and words can be edited.

Thank you once more and I remain at your disposal for any further inquiries,

Warmest regards,

Michail Galanopoulos, MD
