Risk factors for liver disease among adults of Mexican descent in the United States and Mexico

Yvonne N Flores, Zuo-Feng Zhang, Roshan Bastani, Mei Leng, Catherine M Crespi, Paula Ramirez-Palacios, Heather Stevens, Jorge Salmerón

Abstract

AIM

To compare the prevalence of chronic liver disease (CLD) risk factors in a representative sample of Mexican-Americans born in the United States (US) or Mexico, to a sample of adults in Mexico.
