

Limoges, 20th June 2018

I, Sarah DEMAI, hereby certify that I reviewed the manuscript entitled « EASL and French Hepatitis C recent guidelines: the paradigm shift » for language editing purposes.

I further certify that the style and grammar of the manuscript appear, to the best of my abilities, to be correct and understandable.

As a non-native speaker, I further certify that I am competent in English and hold a Master's degree in biomedical translation from the University of Lyon 2, France.

Sarah DEMAI

Biomedical translator

Limoges University Hospital, France

A handwritten signature in cursive script that reads "Demai". The signature is written in black ink and is underlined with a single horizontal line.
