

Offer of Award

NAME OF CANDIDATE: Carlos Rodrigo Camara-Lemarroy
CATEGORY OF AWARD: The Denyse Lajoie-Lake Fellowship in Brain Research
DEPARTMENT: Clinical Neurosciences
FACULTY: Cumming School of Medicine
INSTITUTION: University of Calgary
SUPERVISOR: Dr. Luanne Metz
PERIOD OF SUPPORT: Up to 12 months
AWARD AMOUNT: Up to a maximum of \$45,000/annum
RESEARCH ALLOWANCE: \$5,000

COMMENTS OF SPECIAL CONDITIONS:

The enclosed *Acknowledgement of Award* form must be received by **August 25, 2017**; otherwise the award shall be deemed to have been declined. The Institute also requires that the trainee and/or their supervisor notify the HBI immediately of any changes to status or funding that could affect the candidate's eligibility for this award. This would include termination of enrolment or employment, early completion of the requirements of research or residency or leave of absence.

Please refer to the Hotchkiss Brain Institute guidelines governing the Denyse Lajoie-Lake Fellowship in Brain Research for the general policies and conditions of this training award:
(<http://hbi.ucalgary.ca/education/funding-support/postdoctoral/denyse-lajoie-lake-fellowship-brain-research>).

Please read them carefully as acceptance of the award signifies acceptance of the guidelines. The award may be implemented at any time after **September 1, 2017**.

If you have any questions, please contact the HBI Education Coordinator, Jason Ng jason.ng1@ucalgary.ca.

Sincerely,

Sarah McFarlane, PhD
Education Director
Hotchkiss Brain Institute
