# Successful rescue of acute liver failure and hemophagocytic lymphohistiocytosis following varicella infection: A case report and review of literature

Zhang LN *et al.* Acute liver failure and hemophagocytic lymphohistiocytosis

Li-Na Zhang, Wei Guo, Ji-Hong Zhu, Yang Guo

## Abstract

Herein we report a case of acute liver failure (ALF) and hemophagocytic lymphohistiocytosis (HLH) induced by varicella infection, successfully rescued by a combination therapy of acyclovir, supportive care, and
