SPECIFIC COMMENTS TO AUTHORS

A slight update on the current references is needed. Else the review is well written. Add some recommendations which may be adapted as practice guidelines

SPECIFIC COMMENTS TO AUTHORS

This review is a very nice overview article about irritable bowel syndrome. IBS is very common syndrome a big clinical issue. However this syndrome is challenge for gastroenterologists, internists and general practitioners. The radiologists position in diagnostics of IBS is zero. Therefore it is a radiological journal not good journal for this
