

July 23, 2013

Dear Editor,

Please find the enclosed edited manuscript in Word format (file name: 4119-review).

**Title:** Eosinophils and mast cells as therapeutic targets in pediatric functional dyspepsia.

**Author:** Craig A. Friesen, Jennifer V. Schurman, Jennifer M. Colombo, Susan M. Abdel-Rahman

**Name of Journal:** *World Journal of Gastrointestinal Pharmacology and Therapeutics*

**ESPS Manuscript NO:** 4119

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. The only reviewer suggestion was to decrease some of the older references. If you feel this is appropriate, I would ask for some guidance on which ones to eliminate.
3. References and typesetting were corrected.

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Pharmacology and Therapeutics*.

Sincerely yours,

Craig A. Friesen, MD
