

Response Letter

Dear Editor

Thank you for comments.

On behalf of my co-authors, we very much appreciate the time and effort you have put into your comments on our manuscript (NO. 41595). We have now carefully revised the manuscript. We have submitted a revised version of our manuscript. All the changes are marked in bold letters. We are more than happy to make any further changes that will improve the paper. Thank you again for your attention and consideration.

Sincerely yours,

Dr Ashish Kumar Jha

MD, DM

Comments-

The language of the manuscript is not so good. A Non-Native Speakers of English Editing Certificate is required.

Response-

We have now carefully revised the manuscript. Our manuscript has been reviewed for clarity by a colleague whose native language is English, so we hope it now matches the journal standard.

Please reconsider our manuscript for publication in World Journal of GI Endoscopy.
