SPECIFIC COMMENTS TO AUTHORS

Management of local recurrence after endoscopic resection of neoplastic colonic polyps

In this editorial, the authors have reviewed and summarized the management of local recurrence after endoscopic resection. They have advised to perform UEMR for

SPECIFIC COMMENTS TO AUTHORS

This manuscript is well reviewed the recent topics of management of local recurrence after endoscopic resection. However, it is better for the authors to clearly divide the data of their own from other hospitals. Figure 2a and 2b seems the same. Please replace the
