

THE CHINESE UNIVERSITY OF HONG KONG

MEMO

To : Prof. CHAN, Ying Yang Emily  
The Jockey Club School of Public Health and Primary Care

From : Secretary  
Survey and Behavioural Research Ethics Committee (SBREC)

Tel. : 3943 4209

Date : 16 August 2017

---

**Survey and Behavioural Research Ethics**

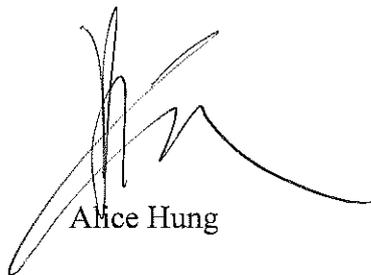

I write to inform you that the Survey and Behavioural Research Ethics Committee has granted approval in principle for you to conduct the surveys or observation of human behaviour by non-clinical means as declared in the application for the following research:

Project Title : Survey on Hong Kong Female's Perception and Awareness of the Risks of Breast Cancer and Breast Examination Behavior 2017

Source of Funding : Nil

Reference, if any : Nil

Kindly be reminded that you should also obtain approval from other research ethics committees within the University (e.g., Clinical Research Ethics Committee, Animal Research Ethics Committee) if any parts of your research do not fall under the scope of our Committee. Thank you for your attention.

  
Alice Hung

c.c. Panel Secretary concerned
