Autonomic functions and gastric motility in children with functional abdominal pain disorders

Karunanayake A *et al.* Autonomic functions in functional abdominal pain

Amaranath Karunanayake, Shaman Rajindrajith, Hitanadura Asita de Silva, Sampath Gunawardena, Niranga Manjuri Devanarayana

Abstract

BACKGROUND

Abdominal pain-predominant functional gastrointestinal disorders (AP-FGIDs) are the commonest cause of recurrent abdominal pain in children. Despite the high
