Dr Fang-Fang Ji

Science Editor, Editorial Office

*World Journal of Clinical Cases*

**Manuscript NO.:** 42482

**Title:** The mandatory meningococcal vaccine, and other recommended immunisations:

Uptake, barriers, and facilitators among health care workers and trainees at Hajj

**Authors:** Al-Mamoon Badahdah, Mohammad Alfelali, Amani S Alqahtani, Saeed Alsharif,

Osamah Barasheed and Harunor Rashid

Dear Dr Fang-Fang Ji,

We would like to thank you and the reviewers for allowing us to revise and resubmit this manuscript. We have also corrected a few typos. All changes are highlighted.

Please find our point-by-point responses to the reviewers' comments below.

**Response to the editor:**

**Comment 1:** Please offer the postcode! Thank you!

**Our response:** *We have made these changes as suggested (Page 1-2.)*

**Comment 2:** The core tip should be less than 100 words, please rewrote it.

**Our response:** *This section has now been rewritten, and shortened to <100 words (page 5).*

**Comment 3:** Add article highlights section according to guidelines for writing and formatting article highlights.

**Our response:** *We have addressed this as suggested (pages 15-16).*

**Comment 4:** Please mark the location of figure 2 in the text. Thank you.

**Our response:** *We have added this as suggested (page 10).*

Finally, we hope you will now be able to publish this manuscript in *The World*

*Journal of Clinical Cases.*

Yours sincerely,

Harunor Rashid
