Effect of Long-Term Right Ventricular Pacing in Young Adults With ...

<https://www.ahajournals.org/doi/10.1161/CIRCULATIONAHA.109.866343> - [翻译此页](#)

作者 : S Sagar - 2010 - 被引用次数 : 48 - [相关文章](#)

Background— **Right ventricular pacing** increases the risk of **heart failure** in adults with ... a predictor for **congestive heart failure** in patients with **right ventricular apical pacing**. ... Ventricular function and **long-term pacing** in **children** with congenital This **study** elucidates the **long term** effect of **right ventricular (RV) pacing** on ...

Chronic ventricular pacing in children: toward prevention of pacing ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3074059/> - [翻译此页](#)

作者 : IE van Geldorp - 2011 - 被引用次数 : 34 - [相关文章](#)

2010年11月24日 - Traditionally, ventricular **pacemaker leads** are positioned at the **right ventricle (RV)**. ... Results and conclusions from **pacing studies** in adults are not readily **Biventricular pacing** is mainly applied in adult **heart failure** patients with Ventricular function and **long-term pacing** in **children** with congenital ...

Transvenous dual-chamber pacemaker after paediatric heart ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC5793968/> - [翻译此页](#)

作者 : JM Baggio Jr - 2018 - [相关文章](#)

2018年1月22日 - A 12-year-old **child** with end-stage **heart failure due** to restrictive ... This **case report** describes the use of a coronary sinus **lead** ... End-stage **heart failure** with dilated cardiomyopathy **related** to **chronic** isolated **right ventricular pacing** has ... complete atrioventricular block: early and **long-term** risk in **children**.

Biventricular Versus Right Ventricular Pacing in Heart Failure Patients ...

<https://clinicaltrials.gov/ct2/show/NCT00267098> - [翻译此页](#)

Biventricular Versus Right Ventricular Pacing in **Heart Failure** Patients With All-Cause Mortality or **Heart Failure-related** Hospitalization [**Time** Frame: Participants ... Change in Cardiovascular **Medications** [**Time** Frame: Participants were the **study** manager); Subject is pregnant, or of **child** bearing potential and not on a ...
