SPECIFIC COMMENTS TO AUTHORS

Thank you for precise description about pancreatoscopy. I think this paper is well written and well researched, however I have a suggestion. This study has two main parts "Endoscopic pancreatic duct stone therapy" and "Role of POP in Pancreatic duct neoplasia". Each part is too long to understand easily. Would you please make some

chapters in each part ? For example, 1. Endoscopic pancreatic duct stone therapy by POP • The method of stone therapy • The results of stone therapy • Adverse events 2. Role of POP in pancreatic duct neoplasia • Image diagnoses (involving NBI, IDUS etc...) • The results of cytology, biopsy • Adverse events
