FSeditor offers the services in paper evaluation, professional translation, language editing and publication support.

FSeditor comprises a network of more than 200 editors with a biomedical background. All our editors must meet strict selection criteria. We require that each editor has completed or is attending a PhD graduate program at one of the top universities in the world. He or she must have proven written communication skills and undergo a comprehensive training period under the instruction of a managing editor. All editors are native English speakers.

We provide high quality services at the comparable price in the industry. For more information, please visit [www.fseditor.com](http://www.fseditor.com) or contact us by email at [editing@fseditor.com](mailto:editing@fseditor.com)
