IERB/1/650/08

08/09/2008

Dr. H. Srinivasa  
Professor & Head  
Dept. of Microbiology  
St. John's Medical College  
Bangalore - 34.

IEC study Ref. No. 134/2008

Dear Doctor,

Sub : Approval of Research proposal by the I.E.R.B.

I wish to inform you that your Research Project entitled, "**Study of human respiratory syncytial virus (HRSV) in children with acute respiratory infection**" has been approved by the Institutional Ethical Review Board, SJMC & H, at its meeting held on **6<sup>th</sup> September 2008**. The approval of I.E.R.B. is valid for a period of 2 years from the date of approval given.

You can commence your work on your Research Project on the condition that you inform the I.E.R.B. of the following:

1. The Occurrence of Serious Adverse Events/Drug Reactions and/or Death, while conducting this Trial.
2. (a) Discontinuation (b) Abandonment (c) Completion of this Trial, stating the reasons, if the situation of 2(a) or 2(b) is encountered.
3. (a) It is mandatory that a 6 monthly Interim Review Report on the status of the project be submitted to the Convenor.  
(b) On completion of the above Research Project – the Principal Investigator is responsible for submitting a brief summary of the results obtained, to the Convenor of the Institutional Ethical Review Board. (I.E.R.B.) through the Chairperson / Dean.

With best wishes,

 (V.C. Joseph)  
Mrs. Laila T. Ollapally, MA, LLM.,  
Chairperson

CC : The Assoc. Director, SJMC  
The Chief of Medical Services
