The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) It will be much better to do English Editing further.

I have modified manuscript according to the suggestions of the reviewer.

(2) Title should be more directly reflect the content of the study.

Title has been modified according to the suggestions of the reviewer.

(3). It is not proper to use beverage for Chinese medicine formulation. Decoction is a proper word.

"Beverage" has been replaced by "decoction" in revised manuscript.

(4). The conclusion should be modified, because no direct evidence to support it is regulating effects on TRPV and SP.....

The conclusion has been modified according to the suggestions of reviewers.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Jing-Juan Shang
