### **Non-Native Speakers of English Editing Certificate**

This document certifies that the manuscript ID: 45529 titled “Imaging plaque inflammation in asymptomatic cocaine addicted individuals with simultaneous PET/MR Imaging” that was submitted to the World Journal of Radiology was edited for proper English language, grammar, punctuation, spelling, and overall style by Dr. Keren Bachi. The revised manuscript has been reviewed for clarity by Dr. Audrey Kaufman, MD, who is a highly qualified native English speaking Co-author on this manuscript. All other Co-authors are proficient in English and have reviewed this revision for clarity and approved it.

Sincerely,

A handwritten signature in blue ink that reads "Keren Bachi".

Dear Dr. Wang,

This letter is to certify that I am a native English speaker and as co-author, have edited manuscript No. 45529 entitled "Imaging plaque inflammation in asymptomatic cocaine addicted individuals with simultaneous PET/MR Imaging" by Bachi, et al, an Observational Study submitted to World Journal of Radiology.

Other co-authors who are native English speakers have also carefully looked at the manuscript approve of its language and content in its present form.

Sincerely,

A handwritten signature in black ink, appearing to read "Audrey Kaufman". The signature is fluid and cursive, with a large initial "A" and "K".
