Re: Manuscript Type: Editorial

Title: Exercise as medicine to be prescribed in osteoarthritis

Authors: Silvia Ravalli, Paola Castrogiovanni and Giuseppe Musumeci

I hereby confirm that as requested by Prof. Giuseppe Musumeci I have re-read, edited and corrected the English in the above-mentioned article.

I am a Native English and my role is Associate Professor of English language and translation at the University here in Catania and have many years' experience in manuscript preparation. I am, of course, available for further clarification should that prove necessary.

Yours faithfully,

A handwritten signature in blue ink that reads "Iain Halliday". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
