Dear Dr. Cui:

Thank you for the thoughtful review and commentary on this manuscript. We addressed the suggestions as follows:

Editor:

1. Running title inserted: Jaramillo C et al. Neonatal Congenital Dyserythropeietic Anemia Type 1
2. Modified corresponding author information as follows: **Corresponding author to: Mark Deneau, MD, MS, Associate Professor**, Department of Pediatrics, Division of Pediatric Gastroenterology, Hepatology and Nutrition, University of Utah, 81 Mario Capecchi Drive. Salt Lake City, UT, 84113. USA. Mark.Deneau@hsc.utah.edu. **Telephone:** +1- 801-213-7664.
3. Audio core tip will be submitted as requested with the updated manuscript.
4. All text citation were reformatted (no space between text and citation number).
5. References were modified to include PMID and DOI if available. For those without PMID and DOI, the first page of the article is provided as separate PDF file.

Reviewer:

1. Replace emergent caesarean section by emergency caesarean section (case summary and birth history)
  - a. Text changed to emergency caesarean section (highlighted) in manuscript in pages 3 and 6.
2. Please explain every abbreviation before use i.e OFC, DOL, PRBC, FFP, NICU, PPHN, GGT, HSM
  - a. DOL was already spelled out in page 6
  - b. Changes in text in order of appearance include:
    - i. hepatosplenomegaly (HSM) – page 5
    - ii. OFC (occipital frontal circumference) – page 6
    - iii. gamma-glutamyltransferase (GGT) – page 7
    - iv. HSM – page 7
    - v. multiple packed red blood cell, fresh frozen plasma – page 8
    - vi. neonatal intensive care unit (NICU) – page 8
    - vii. persistent pulmonary hypertension – page 8

3. Replace d-dimer by D-dimers
  - a. Text changed to D-dimers (highlighted) in manuscript in the page 6 section of the text.

Sincerely,

Mark Deneau, MD
