## Preoperative bowel preparation for patients undergoing ...

[www.ncbi.nlm.nih.gov](#) > ... > *Can J Surg* > v.53(6); 2010 Dec

Patients undergoing open elective **colorectal surgery**: **anastomotic leaks**. In all, 686 patients were randomly assigned to receive MBP and 657 patients to no MBP; 23 47% of patients in the MBP group were prescribed a polyethylene **glycol preparation** and 48.5% received a sodium **phosphate preparation**.

**Preoperative bowel preparation does not favor the management of colorectal anastomotic leak**

Konstantinos A Zorbas, Daohai Yu, Aruj Choudhry, Howard M Ross, Matthew Philp

### **Abstract**

**Background:** Controversy exists regarding the impact of preoperative bowel preparation on patients undergoing colorectal surgery. This is due to previous research studies, which fail to demonstrate protective effects of mechanical bowel preparation
