To whom it may concern:

I certify that as a native speaker of English and editor of English-language scientific and medical manuscripts for the firm Rise Japan LLC, I have edited the English-language manuscript submitted by Quach DT et al. entitled, "Identifying High-risk Individuals for Gastric Cancer Surveillance from Western and Eastern Perspectives," for proper English grammar and natural English expression.

Sincerely,

A handwritten signature in black ink that reads "Christopher Magor". The signature is written in a cursive style.
