The manuscript was re-read carefully by one of the co-authors, Cory Fielding, M.D.

Dr. Fielding is U.S. born medical scientist, was educated in American schools including Bachelor of Science in biochemistry, Western Kentucky University, Bowling Green, Kentucky. Also, he completed his medical school, internal medicine residency, and gastroenterology fellowship at the University of Kentucky, Lexington, Kentucky. He has written and published many original scientific papers and review articles in his native English language.
