Re: Certificate of English editing

To whom it may concern

This manuscript was read carefully by one of authors, Koichi Hayano MD., PhD., FACS. Dr. Hayano worked as a research fellow at Massachusetts General Hospital, Harvard University in Boston for three years, and he published more than 40 English papers and book chapter with self-editing of English, and sometimes served as English editor for non-native speakers. Based on these experiences, I believe that this paper has been already received a proper English editing by Dr. Hayano.

Sincerely,

Koichi Hayano, MD., Ph.D., FACS.
