

UNIVERSITÀ DEGLI STUDI DI TORINO
DIPARTIMENTO di SCIENZE MEDICHE

Turin, 16th April 2019

The manuscript was re-read carefully by one of the co-authors, Prof. Gabriella Gruden, MD, PhD. Prof. G Gruden gained a PhD degree at the University of London in 2004 and she wrote and published over 100 original scientific papers, reviews and book chapters in English language. She lived in London (UK) from 1994 to 2002 and held academic positions at King's College London, London, UK. Specifically, Prof Gruden was Research Associate in Unit for Metabolic Medicine, Guy's Hospital from 1994 to 1998. She was awarded the RD Lawrence Fellow of Diabetes UK in 1998 and was appointed as Clinical Lecturer in the Department of Diabetes, Endocrinology, and Internal Medicine, King's College London, London, UK from 2001 to 2002.
