Copyright License Agreement will become effective immediately. Please note that the designation of co-first authors and co-corresponding authors is not permitted. Application for copyright license agreement will be made by written declaration of and attestation to the following:

- 1 The copyright on any open access article in a journal published by BPG is retained by the author(s).*
- 2 Author(s) grant BPG license to publish the article and identify itself as the original publisher.*
- 3 Author(s) grant any third party the right to use the article freely as long as its integrity is maintained and its original authors, citation details and publisher are identified.*
- 4 Author(s) certify that the manuscript is not simultaneously being considered by other journals or is already published elsewhere.*
- 5 Author(s) certify that the manuscript has no redundancy, plagiarism, data*

fabrication, or falsification.

6 Author(s) certify that there is no conflict of interest related to the manuscript.

7 Author(s) certify that all experiments involving animals and human subjects were designed and performed in compliance with the relevant laws regarding humane care and use of subjects.

8 Author(s) certify that the manuscript's content is original, with all information from other sources appropriately referenced, and that specific permission has been granted in writing by any existing copyright holders prior to publication and is clearly cited and available.

9 Author(s) grant exclusive copyright ownership to BPG for all formats of the manuscript, including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum, in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee, (2) printing copies for free distribution or for
