

ENGLISH LANGUAGE EDITING STATEMENT

Dear editors,

As a native English speaker from St. John's Medical Center, Tulsa, United States, I hereby state that the language of the attached manuscript entitled "Quantitative diffusion-weighted MR-Enterography in ileal Crohn's disease: systematic analysis of intra and interobserver reproducibility" has been reviewed and edited carefully for publication.

Yours sincerely,

John N. Morelli,

St. John's Medical Center, Tulsa, OK, United States
