

October 4, 2013

Dear Editor,

Thank you for reviewing our manuscript again.

**Title:** Vascular resection in pancreatic adenocarcinoma with portal or superior mesenteric vein invasion

**Author:** Gang Pan, Hong Wu, Ph.D ; Kun-lin Xie, MD;

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 4854

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1). This is a good theme but poorly written script.

*This script was edited by a professional English language editing companies.*

(2). The data from Whipple procedure only group should be included in tables to compare with SM-PVR groups.

*When we designed this theme, we did not considered to included the Whipple procedure only group, however, we will clarify the relationship among them in our future study.*

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

潘 (X) 1
