

1. A short running title of no more than 6 words should be provided. It should state the topic of the paper. For example, Losurdo G *et al.* Two-year follow-up of duodenal lymphocytosis. (no more than 6 words)

Response:

Running title: Ran Lu *et al.* treatment of congenital absence of cruciate.

2. Please add PubMed citation numbers (**PMID** NOT PMCID) and DOI citation to the reference list and **list all authors**. Please revise throughout. The author should provide the first page of the paper without PMID and DOI.

Response:

I have changed the style of references according to your advice, but I can't find the DOI of the first reference, thank you!

3. Please provide the decomposable figure of Figures, whose parts are movable and editable. So you can put the original pictures in PPT and submit it in the system.

All figures, tables and legends should not be in the main text. They should be put at the end of this paper.

Response:

I put the original pictures in PPT, thank you!

4. Please explain all the abbreviations in the figure/table legends: full name (abbreviation)

Response:

I have provided full name of all the abbreviation in the table, thank you!
