## Effective and economical endoscopic resection using a ...

<https://onlinelibrary.wiley.com/doi/10.1111/den.13232>

Jul 10, 2018 · **Endoscopic** mucosal **resection** sometimes fails to obtain curative **resection** of small-sized gastric **neoplasms** due to slippage of the snaring device and insufficient **surgical** margins; thus, **endoscopic** submucosal dissection (ESD) is required. 1-3 However, ESD is technically difficult, and the ESD knife is expensive (more than 215 USD). Moreover, conventional ESD for small-sized **neoplasms** ...
