Re: Invited Editorial 02861617, "A new Era for Pancreatic Endoscopic Ultrasound: from imaging to molecular pathology of Pancreatic Cancer" R1 version

Dear Editors,

Please find attached the revised version of the above mentioned invited editorial that we wish to be considered for publication in *WJGO*.

We are pleased that the editorial team and reviewers found merits in our review and did not raise specific concerns. We have made the few editorial changes suggested by the Editor, and we now hope that the manuscript can be considered suitable for publication.

Best regards

We look forward to hearing from you.

With best wishes,

Yours sincerely,
