Medical Director & Epidemiologist

No.EB-ARDNA/2019/1006

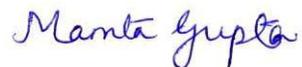

Date: 15.07.2019

Alchemist Research and Data Analysis provided language editing services by English speaking medical editor, Dr. Mamta Gupta for Manuscript titled, “**Efficacy and Safety of Non-Vitamin K Antagonist Oral Anti-Coagulants Post-Kidney Transplantation**” which is under consideration for publication in your journal.

The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Yours sincerely,

(Mamta Gupta)
