Dear Editors,

I passed the TOEFL ibt test and got TOEFL ibt certificate. As a native English speaker, I read paper "Metabolic Syndrome attenuates Ulcerative Colitis: correlation with IL-10 and Galectin-3 expression" and checked the manuscript for proper grammar and spelling.

Sincerely,

Milomir Simovic MD, PhD

U.S. Army Institute of Surgical Research, Department of Pathology

University of Texas at San Antonio, United States of America

A handwritten signature in blue ink, appearing to read 'M. Simovic', is written over a yellow rectangular highlight.
