

PATIENT CONSENT FOR PUBLICATION

Patients reserve the right to refuse to sign this consent form and refusal of consent will not affect care in any form.

I, [REDACTED], hereby give consent to *Dr. Shahzeer Karmali* and the *University of Alberta* to present and publish my case, outlined by the following:

- I hereby give my consent to publish any images or other clinical information relating to my case to be reported in a medical publication.
- I understand that my name and initials will not be published and efforts will be made to conceal my identity, but that anonymity cannot be guaranteed.
- I understand the material may be published in a journal, textbook, website, or other form of publication. As a result, I understand that the material may be seen by the general public.
