Re: language proofing of manuscript revision MS 507 WJG

Dear Mr Su-Xin,

following your request by email dated november 5, 2012, I, undersigned, as the corresponding author of manuscript entitled "**A silybin-phospholipids complex counteracts rat fatty liver degeneration and mitochondrial oxidative changes**", certify that the manuscript has been carefully revised for english language by a mother-tongue reader and therefore reached Grade B level.

The name of the revisor (Mrs. Diana Schubaut, New Orleans, USA) will be acknowledged in the final version of the manuscript.

I, undersigned, also state that our group has been publishing several scientific papers in high-ranked english, american, european journal without encountering major language problems, ever.

Sincerely yours,

Prof. Piero Portincasa, MD, PhD
