

Dear Editor in Chief of World Journal of Anesthesiology,

hereby I guarantee that the manuscript No 5094 “Lung preconditioning in anesthesia: review of the literature” is Grade A regarding English language (the “Proficiency of the Cambridge University in English language” can be provided by the writer if required) and no further editing is needed.

Sincerely Yours,

Konstantinos Kalimeris, MD, PhD, DESA,  
Institute for Anesthesiology,  
University Hospital of Zurich,  
Switzerland
