English language editing certification

This is to certify that Alpharmaxim Healthcare Communications provided editing services for the manuscript: **Early treatment efficacy of S-adenosylmethionine in patients with intrahepatic cholestasis: A systematic review (Manuscript No: 51365)**. The manuscript has been thoroughly checked and edited for English language usage, grammar and spelling by one or more of the native English-speaking editors at Alpharmaxim Healthcare Communications.

The manuscript has also been re-read carefully by Josh Lilly PhD, a native English-speaking Senior Medical Writer at Alpharmaxim Healthcare Communications.

A handwritten signature in blue ink, consisting of several overlapping loops and lines, representing the name Josh Lilly.

Josh Lilly PhD,
Senior Medical Writer
