

RESPONSE LETTER

Manuscript 51468 – World Journal of Orthopedics

First of all, I would like to thank you for reviewing my study. Your comments were of great value.

#REVIEWER 1 ANSWERS

Thank you for compliment. We hope that based on what we've shown in this study, we may be able to help other foot and ankle surgeons and patients.

#REVIEWER 2 ANSWERS

Thank you for your observations. We have changed them accordingly.
