

Dennis A Bloomfield, Bao-Gan Peng, Sandro Vento  
Editors-in-Chief  
*World Journal of Clinical Cases*

Dear Editors and Reviewers,

First of all, My sincere apology for submitting the missing documents and thank you for your patience and cooperation. All authors have revised the manuscript and revised all linguistic and grammar flows to make sure no mis-pronunciations are present. Secondly, all changes and comments by editorial board was addressed and highlighted as follows:

- 1- An extensive and detailed article highlights were added with following sections: Research background, motivation, objectives, methods, results, conclusions and perspectives.
- 2- URL was added to most high lighted referenced in the reference list and 3 of them a full documentation is sent for verification.
- 3- Affiliation of second author was modified based on title and academic change.

Finally, in regard to previous one of the reviewer's comment: I agree with the reviewer that this study represents a small samples and that was the main reason that led us to present this study as a case serious and not a controlled trial.

Thank you for your consideration. I look forward to hearing from you.

Thank you for your very informative responses and positive feedback about the study. I have revised the manuscript and revised all linguistic and grammar flows to make sure not mis-pronunciations are present several changes have been made and highlighted as instructed. Secondly, I agree with the reviewer that this study represents a small samples and that was the main reason that led us to present this study as a case serious and not a controlled trial.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,
