

Guglielmo Trovato, MD. Director of Media, e-learning and Telemedicine  
at the European Medical Association (EMA), Brussels  
The School of Medicine, the State University of Catania, Italy.  
mail to:Trovato.eu@gmail.com

I,

dr Guglielmo M. Trovato, MD, the corresponding author of the article entitled "The clinical research tale of NAFLD and atherosclerosis.", declare that the author of the present manuscript is non-native English speaker but my manuscript has been reviewed for clarity by a colleague, Prof. Simon Taylor Robinson, MD, Imperial College, London, [s.taylor-robinson@imperial.ac.uk](mailto:s.taylor-robinson@imperial.ac.uk), whose native language is English.
