

## **Clinical outcomes of patients with duodenal adenocarcinoma and intestinal-type Papilla of Vater adenocarcinoma**

**Laura L Meijer, Marin Strijker, Jacob K de Bakker, Jurgen GJ Toennaer, Barbara M Zonderhuis, Hans J van der Vliet, Hanneke Wilmink, Joanne Verheij, Freek Daams, Olivier R Busch, Nicole CT van Grieken, Marc G Besselink, Geert Kazemier**

### **Statement**

No additional English language editing was performed for this manuscript. The manuscript was written by the authors. A Non-native Speakers of English Editing Certificate can be found below.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'L Meijer'.

Laura Meijer, MD

# CERTIFICATE

This is to certify that

**Laura Meijer**

has successfully completed the course

## **WRITING A SCIENTIFIC ARTICLE**

The course consisted of eight sessions of three hours each. It dealt with a large number of textual and grammatical issues that are relevant for researchers who write academic texts in English.

19 November 2015

Amal Chatterjee

Course instructor
