**Certificate of English Editing**

Dear Editor:

This is to certify that the manuscript entitled “Effect and Safety of Mark-guided versus Standard Peroral Endoscopic Myotomy: A Retrospective Case Control Study” has been edited by Scientific Writing Solutions, USA for English writing. Our editors are professionals in the US academic institutions whose research areas are closely related to the researches in the manuscripts. They are English native speakers and their editing skills passed our vigorous tests. If you have any questions, please contact me at [Editor@Sciwriting.com](mailto:Editor@Sciwriting.com).

Sincerely,

Jeff Johnson
