This advice and the document/s referred to below are provided under strict **embargo** and as such, on an In-Confidence basis. **The document/s and the information are not to be made public at this time by institutions or recipients.** NHMRC will notify your Administering Institution when your outcome is no longer under embargo.

Application ID: APP1143333
Type: Early Career Fellowships
Application Title: Effects of testosterone and oestrogen on body composition

I am pleased to advise that the Minister for Health and Minister for Sport has approved your application (APP1143333) for National Health and Medical Research Council (NHMRC) Early Career Fellowships funding commencing in 2018.

This letter provides you with important information about the offer of Funding made to University of Melbourne for this application.

Assessment Details

Where available¹, information about the assessment of your application is provided in a separate Application Assessment Summary. This can be accessed via RGMS following the instructions for accessing feedback in the [RGMS User Guide – Awarding Grants](#).

Accepting this offer

The offer of Funding for your Application is made under NHMRC's Funding Agreement (the Funding Agreement) between the Australian Government and your Administering Institution. Your Administering Institution is responsible for informing you about the requirements of the Funding Agreement (including its Schedules) the Direct Research Costs guidelines and other applicable policies².

Your Administering Institution has until 31/10/2017 to certify that the information required prior to payment being made (see below) has been entered into RGMS, and to advise NHMRC of its acceptance of the offer. If the offer is

¹ An Assessment Summary is not available for applications to schemes where the NHMRC does not perform the peer review. Guidance on interpreting Project Grants Assessment Summaries is available at <http://www.nhmrc.gov.au/grants/outcomes-funding-rounds>.

² Copies of the Funding Agreement, and Direct Research Costs guidelines and other policies are available at <http://www.nhmrc.gov.au/grants/administering-grants/nhmrc-funding-agreement>

not accepted by this date it may lapse. If you wish to discuss this offer of Funding, or have any queries, please contact your Research Administration Officer (RAO).

Information required prior to payment being made

Where applicable, and except where otherwise indicated, NHMRC will temporarily withhold some or all of the funding under subclause 15.2.a of the Funding Agreement with your Administering Institution until Specified Personnel with outstanding obligations from previous NHMRC grants, including submission of a Final Report, have met those obligations.

In some circumstances, CIAs and Fellows may need to provide additional ethics information. This information must be entered into RGMS by the CIA or Fellow and certified by the RAO. The [RGMS User Guide - Awarding Grants](#) provides details on how to enter and certify this data at award. Should you have any questions concerning the provision of such information, please speak to your RAO.

If you need to seek approval to defer the start date of this grant, please refer to [Grantee Variations](#) or speak with your RAO.

Funding

As set out in the Schedule to the Funding Agreement, the Early Career Fellowships APP1143333, has been awarded \$348,768.00. Where applicable, this budget has been assessed by the expert peer review panel as sufficient to complete the aims and objectives of the research proposal stated in the application for funding. Any conditions relevant to receiving the Funding are set out in the Schedule to the Funding Agreement and, where applicable, the associated Funding Rules. All expenditure must be in accordance with the requirements of the Funding Agreement.

Participation in NHMRC Peer Review

NHMRC relies on the ongoing participation of the research community to ensure that every application receives expert peer review. NHMRC is grateful for this enormous contribution which is acknowledged through our website's peer review honour roll.

To ensure that applications for future rounds are appropriately assessed, we are reminding all Chief Investigators, Fellows and Scholars working on NHMRC Funded Research Activities that they may be requested to make themselves available to contribute to the peer review process, in accordance with clause 23.1 of the Funding Agreement.

Accordingly, we ask that you ensure your CV/Profile information is up to date in RGMS to assist in the identification of appropriate peer reviewers.

Yours sincerely

Dear Dr Cheung,

It is with pleasure that I advise you that the Foundation has awarded your project:
“Anti-androgens in transgender women”\$15,000.00

All grants are for one year only and access to funds is subject to clearance by the relevant ethics committee(s). You may access these funds from 1st March 2019. Funds are to be utilised directly through the Foundation and ‘one line’ invoices from other institutions are not to be submitted for payment. Please note that the Board expects grant holders to:

- provide a progress report by 1st March 2020;
- submit an abstract at the annual Austin LifeSciences Research Week in October 2020;
- acknowledge the support of the Austin Medical Research Foundation in any publications and presentations;
- utilise funds by 31st May 2020 as per the submitted budget. After this date your entitlement to the award will lapse.

To confirm acceptance of the terms and conditions of this award would you please complete and sign the attached form along with a copy of your ethics clearance and email to Alexis Chapman at austinMRF@austin.org.au.

Wishing you success with your research endeavours.

Dear Ms Nicholson,

**SYLVIA AND CHARLES VIERTEL CHARITABLE FOUNDATION
CLINICAL INVESTIGATOR AWARD**

Project name: **Dr Ada Cheung - Bone structure and osteoporosis in transgender individuals receiving testosterone or oestrogen cross-sex hormone therapy**

Organisation: **The University of Melbourne**

Application number: **VIERC12017009**

The Trustees of the Foundation have asked me to advise you that Dr Cheung's application for a Viertel Clinical Investigator award has been successful. Please accept the congratulations of both the Trustees and the Medical Advisory Board.

This grant represents a one-off amount of **\$85,000**, which will fall due for payment on 1 January 2018.

Payment will be issued by Electronic Funds Transfer on receipt of a completed Electronic Funds Transfer form (attached) and a valid Tax Invoice from your organisation. Please note that all grants are GST-free. Send completed Electronic Funds Transfer form along with your Tax Invoice to charities@egt.com.au or to:

Equity Trustees
Attention: Philanthropy
GPO Box 2307
Melbourne VIC 3001

This grant should not be used to support the applicant's salary, it is to nurture their clinical research and need not all be spent within 12 months.

The Foundation requests acknowledgement in all annual reports and all publications arising from work performed during the tenure as a Viertel Clinical Investigator. Please contact us to request a copy of the Foundation's logo for this purpose.

As part of the grant conditions the Trustees require a report on the results of the funded project. Copies of the full text of any publications resulting from the work are also required. If the project extends beyond 12 months a progress report by the 31st January each year should be provided. In addition a final report is required within 2 months of the completion of the project.

Submitting a valid Tax Invoice and Electronic Funds Transfer Form indicates acceptance of the grant for the purpose of the project outlined in the application and the grant conditions in and attached to this letter.

The Trustees wish Dr Cheung success with the project and look forward to receiving a final report.

Yours sincerely,

Cecilia Gason
